

I've played basketball for over 10 years. I played junior basketball for 2 years and senior for 3 years at Riverside secondary school. I helped lead our senior team to a second place finish at the AAA Provincials in my grade 11 year. I was a member of the BC provincial teams from U14-U17 and competed in the National Championships at the U15 and U17 levels. I played for a club team run out of my high school called Jabog. I got my start in coaching when I was in grade 11. I coached the Jabog 8-11 year old girls team for 2 years. I have also refereed middle school and junior basketball basketball for 5 years. I am currently in my first year at Simon Fraser University studying Biology and a member of the women's basketball team.
