

Jaime McLaughlin

I'm a 2012 graduate of Coquitlam's Gleneagle Secondary where I played basketball for 5 years under coach Patricia Anderson. I also played netball and did shot put in high school. My biggest thrills as a Talon were qualifying for the provincials in grade 12 and beating our rivals with two players remaining on the court (because the rest of us had fouled out).

I've also played for Alex Devlin with 3D. After high school I took two years away from varsity basketball until this year, when I decided I would like to return. I played for Mike Evans at Langara until my season was cut short by an injury. I'm extremely grateful for the opportunity to coach with JOS; coaching is my way of giving back to the community while simultaneously helping others grow through sport.
